

Local Healthcare for Local Businesses.

Now is the Time for Small Businesses to Revisit their Benefits Strategy.

Introducing Beaumont Care Connect.

Beaumont Care Connect was created to better serve the healthcare needs of small businesses in the metro Detroit area. With powerful partnerships and a unique offering, Beaumont Care Connect gives employers the opportunity to offer more value to their employees than traditional plans – all while saving money and cutting costs.

As rate increases increasingly become the norm, small businesses need to future-proof their benefits by finding alternative health plans that will support the needs of their employees – while supporting the financial needs of the business.
